## “ALEKŠUPĪTE RIVER EXPEDITION”

It is an opportunity to feel the charm of the old town of Kuldīga, meandering along the rocky bed of the Alekšupīte River, overcoming small waterfalls, crossing the river under bridges and learning the secrets of old houses through the narration of the expedition leader. Expedition participants are given either rubber shoes in the summer or rubber overalls in colder weather.

## 17TH-19TH CENTURY INTERIOR MUSEUM “MADAME HOYER’S GUEST HOUSE”

The ground floor has the original 17th-century layout — the tavern and Madame Hoyer’s living quarters, as well as the historic open hearth and the bread oven. The first floor of the museum gives an idea of a wealthy Liepāja resident’s home in the 19th century with a living room, a nursery, a bedroom and a kitchen. Guests can enjoy a 17th-century menu at the restaurant “Hoiĵeres krogs”, and coffee and cakes at cafe “Stenderu konditoreja”.

## OUTDOOR OBJECT “LATS”

In 2023, the outdoor object “Lats” will be unveiled on the castle mound of the Ventspils Harbour promenade, next to the Livonian Order Castle – a tribute to the Latvian currency, the lats, which was given up at the end of 2013. The author of the outdoor object is sculptor Glebs Pantelejevs. The location of the sculpture was chosen deliberately, as the hill overlooks the Ventspils harbour – the place where in 1925-1926 some of the silver two lats coins minted at the Royal Mint of Great Britain were unloaded, thus bringing the currency to Latvia in Ventspils for the first time.
